

STEFAN VAN AGGELLEN

INDUSTRIAL PRODUCT DESIGNER

HELLO

Meet an enthusiastic designer! I have gained my experience in the medical sector, where I learned to design products with a high value to make the world a better place. I love to work with people, to create something what fits their needs. I believe in the user-centered design so you can call me a human centered designer.

EDUCATION

Industrial Product Design Hogeschool Utrecht (HBO)	2010 - 2015
Technical Commercial Ingenieur Hogeschool Utrecht (Minor)	2013 - 2014
Computer Interface Technique Hoorndreef College (MBO)	2006 - 2010

EXPERIENCE

UMC Utrecht <i>Internship Industrial Product Design.</i> Research and redesign of a hospital bed with electrical drive support to prevent physical damage of the employees.	2013
UMC Utrecht <i>Education project Industrial Product Design.</i> Research and redesign of a knee distractor to serve to treat knee osteoarthritis for about 6% of the world population.	2010
UMC Utrecht <i>Internship Computer Interface Technique.</i> Development of a wireless communication system used in the recording of rotations of treadmills for mice.	2006 - Today
van Aggelen Schilderwerken <i>Painter.</i> Painter of property at a small painter company.

SOCIAL

EXPERTISE

SolidWorks	<div style="width: 80%;"><div style="width: 100%;"></div></div>
Illustrator	<div style="width: 75%;"><div style="width: 100%;"></div></div>
Photoshop	<div style="width: 70%;"><div style="width: 100%;"></div></div>
Hand drawing	<div style="width: 85%;"><div style="width: 100%;"></div></div>
English	<div style="width: 90%;"><div style="width: 100%;"></div></div>
German	<div style="width: 30%;"><div style="width: 100%;"></div></div>
Social skills	<div style="width: 95%;"><div style="width: 100%;"></div></div>
Creativity	<div style="width: 85%;"><div style="width: 100%;"></div></div>

In addition to the high social skills, I may say that I have a high content of empathy and humor. I also love multidisciplinary work and function well in a team.
